

- ✓ 'Non-stick', easy-clean
- ✓ Resists bacterial adhesion
- ✓ Maintain aesthetics

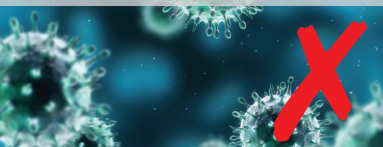

Keep glass splashbacks looking like new for longer!

Protect your glass splashback with unique, award-winning ClearShield® 'non-stick' technology!

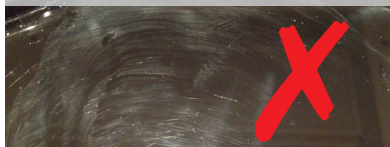

Great for glass worktops too!

Less microbes for improved hygiene

Stop smear marks after cleaning

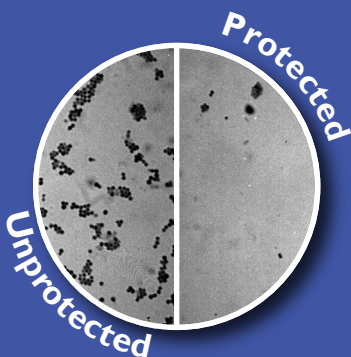

Working like 'non-stick' cookware, **ClearShield®** upgrades unprotected glass into **ClearShield Eco-Glass®**, a low-maintenance and more hygienic surface.

- Saves cleaning time and effort
- Resists staining from fat and food residue
- Stop smear marks that appear after cleaning

ClearShield Eco-Glass® is independently proven to keep glass hygienically clean by resisting bacterial adhesion!

Micrograph of cells of staphylococcus aureus adhering to glass slides after washing

'In conclusion, the results clearly show that ClearShield firstly impeded adherence of bacteria and secondly encouraged desorption by washing.'

- UK Public Health Laboratory Service, Porton Down

Specially developed After-Care for Splashbacks

Cleaning your splashback no longer requires harsh and abrasive materials, which may be harmful to you and the environment.

After-Care for ClearShield® Glass has been specially developed to gain the maximum performance from ClearShield® protection.
